

### Course Summary Description (For Website): Financial Management

<i>Course Name</i>	Financial Management (FM)
<i>Segment</i>	Core following Management Accounting (F5) and Financial Reporting (F7)
<i>Instructors</i>	Robert Patterson & Mark Galanter
<i>Textbooks</i>	“Capital Where It Is Wanted” (Polish & English editions) by Kicia & Patterson, UMCS Press, 2016
<i>Summary</i>	FM is an ACCA “fundamentals” level course covering the foundations of enterprise financial management in the shareholder value creation process.
<i>Learning Outcomes</i>	<ol style="list-style-type: none"> <li>1. Capital expenditure analysis</li> <li>2. Financing decisions (leverage, cost of capital)</li> <li>3. Working capital management</li> <li>4. Enterprise risk management</li> <li>5. Enterprise valuation principles</li> </ol>
<i>ACCA Equivalent</i>	F9 – Financial Management
<i>ACCA Syllabus Coverage</i>	WUTBS course is essentially equivalent to ACCA F9 except for Islamic finance which is excluded. In accordance with ACCA accreditation rules, coverage in any one exam must be 80% of ACCA syllabus. WUTBS exams will therefore cover above Learning Outcomes #1 - #3 on all exams and rotate outcomes #4 & #5 every other year
<i>Prerequisites</i>	Accredited ACCA F9 is a prerequisite for ACCA’s “Professional Level” paper P4 in Strategic Financial Management
