

Privacy Policy

This Privacy Policy describes the principles for the processing and protection of personal data provided by Users through the use of the website and services of the Warsaw University of Technology Business School.

The Warsaw University of Technology Business School is committed to the protection of its students' and graduates' privacy and strives to provide a secure environment for services rendered through the school. The new EU Regulation regarding privacy protection (the General Data Protection Regulation or GDPR) has been in effect since the 25th of May 2018 and the WUT Business School declares that it will make every effort when it comes to any and all legal responsibilities arising from this fact when it comes to the security of the stored personal data of its users.

The GDPR was created to protect your data whenever you make it available to others, yet it remains your decision when and to whom you convey such data while being certain that these recipients are worthy of your trust.

Should you have any questions, you can contact us via email at office@biznes.edu.pl or our Data Inspector at tomasz.buczek@pw.edu.pl.

We would also like to inform you that you can revoke your agreement at any time by contacting the School via email at office@biznes.edu.pl.
